

**Test Automation Workshop
August 28–29 2006
Bond University, Gold Coast**

Welcome to The Test Automation Workshop 2006. This event is co-hosted by the Centre for Software Assurance, Bond University and KJ Ross and Associates. The event is also partially sponsored by Delfin Lend Lease.

The response to the call for participation has been excellent. The technical programme features two tutorials and a good mixture of interesting talks. Extensive notes will be provided by the tutorial presenters. We hope that you enjoy the two day event.

Information on how to get to the University is available online at <http://www.bond.edu.au/about/directions>

A campus map is available at <http://www.bond.edu.au/about/directions/campus-map.html>.

Parking is free in designated areas (usually marked as General Parking or Unrestricted Parking).

Please do not park elsewhere as the vehicle may be towed.

All the presentations are scheduled in Theatre 4. Morning and afternoon tea and lunch will be served in foyer area outside theatre 4.

The URL <http://www.bond.edu.au/facilities/lecturetheatres.htm> describes the location and facilities available.

As usual the Delfin Lend Lease dinner will be held at the Lake Cafe+Bar. The address is 235 Varsity Parade, Varsity Lakes. It is only a 5 minute walk from the University.

If you need any further information or assistance, please do not hesitate to contact Paddy Krishnan
